Danyale Breckenridge joined Commercial Properties Inc., in 2017 as a Marketing and Research Specialist. Danyale is a valued member of the team and has a passion for graphic design, with extensive experience in commercial real estate marketing. Prior to joining CPI, Danyale held Marketing Specialist positions with national commercial real estate firms where she designed materials and implemented a variety of marketing strategies while paying close attention to detail and accuracy.

Danyale has also held the position as Marketing Director for a large development group, overseeing all marketing efforts of its properties, including managing their disposition, financing and the acquisition process. Additionally, Danyale worked for the Town of Gilbert's Planning and Development Services Department where she designed and assembled chapters for the Gilbert General Plan.

Ms. Breckenridge received her degree from Arizona State University in Urban Planning, graduating with Honors, and was an Ambassador to the College of Design. Danyale also holds an active Arizona Real Estate License. As an Arizona native, she enjoys cooking, painting and spending time with her family.
