Donn is a versatile Real Estate Professional with extensive results-producing experience within the commercial land real estate market.

His rich and varied commercial real estate background spans over 25 years in Arizona and California. The majority of his time was with Colliers International in their Phoenix and Scottsdale locations.

His selected career accomplishments include: Being acknowledged as brokering the "Largest Land Deal" for the year, by the Phoenix Business Journal. Also, Donn has ranked in the "Top Ten" consistently during that time period with the majority of his transactions taking place in the south east valley.

His strengths are his willingness to work with land owners and achieve their desired business goals and objectives by executing a marketing strategy specific to that owners needs and desires.

Donn is a native of Arizona, attended Arizona State University, and is married with four children.
