

Theresa Warber
Executive Sales & Leasing Support Specialist
Direct: (480) 621-3291
twarber@cpiaz.com

Joining the CPI Sales and Support Team in 2010, Theresa Warber adds a wide range of experience having worked for a lending institution, an architect/developer/contractor and a real estate investor. Theresa's real estate career began as an executive assistant to the Executive Vice President of Dixie State Bank in St. George Utah. Her time at the bank allowed her to hone her executive support skills while also learning to process and service residential loans.

The next phase of Theresa's commercial real estate career was as an executive assistant to the Principal of an architectural, land development and general contracting firm in Scottsdale. This was followed by four years as executive assistant to the CEO of a family-owned business with multiple real estate investments throughout Arizona, New Mexico and Minnesota.

Theresa has lived in the Valley for 15 years. While she enjoys the outdoors, she prefers to experience it from 10,000 feet in her Piper Archer aircraft. She and her husband also enjoy riding motorcycles and playing with their grandchildren.
