his commitment to excellence and allegiance to ethics continues to strengthen our company and serve our clients well.

Tyson's expertise and devotion to his client's needs were best demonstrated in 2008 - 2010 when, during a down market, Breinholt completed over 375 transactions totaling over \$43 million in total consideration for over 1 million square feet. Tyson thrives in this fast paced industry and loves the work.

What drives this kind of success? "I work long hours because I just love what I do." Tyson offers this advice with a smile, "Have a direction. Have a plan. Find your passion."
